

ACS *Advanced Care Scripts*

Dear Customer,

Thank you for choosing Advanced Care Scripts as your specialty pharmacy. ACS pharmacy, a subsidiary of Omnicare, is committed to providing you with quality products and excellent customer service.

Please take a few moments to review the important information in this welcome packet. The information inside will explain our services and answer some of the questions you may have about your therapy. Additionally, we have provided information about resources that may be available to you in your community.

In order to adhere to privacy practices and billing policies, we have included some forms to be completed and returned to ACS. These forms will help us provide accurate statements of your account, assist in processing your payments, as well as identify and resolve any problems in an efficient manner. We have enclosed a self-addressed envelope to help you complete this process.

Please contact us at the phone number below if you need any assistance. We appreciate the opportunity to serve you.

Sincerely,

Dennis Wilson
